PREFACE.

WE herewith present the Fourth issue of the CHICAGO BLUE BOOK, the publication of which we undertook, at the solicitation of many of our friends and patrons, a little over three years ago. We wish to thank our lady patrons for the appreciation they have shown our efforts, and trust that this volume will retain the high place in their favor, which we have won, and will endeavor to hold.

Neither time nor money have been spared to make the work as complete and valuable as possible; notwithstanding this, the difficulty attending the compiling of such a book can be easily appreciated. We therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We keep the entire work standing in type, that such corrections can be made promptly; in this way we hope to make the Chicago Blue Book as nearly perfect as it is possible to make such a volume.

The title, "BLUE BOOK," is simply a name given the work on account of its *blue* cover. It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "BLUE BOOK—A parliamentary publication, so called from its blue paper cover, such being commonly used; *also, a book containing a list of fashionable addresses.*"

We do not claim the BLUE BOOK to be either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of thirty thousand names of the most prominent householders of Chicago, and suburbs within a radius of thirty miles, published in the most convenient form for reference by our lady patrons.

While retaining all the old features, such as Calling Days in the Street List, and Summer Residences in Alphabetical List, we have added very materially to our Miscellaneous Information, Club Lists, Churches, etc.

We shall always be pleased to receive any suggestions from our lady patrons whereby we can enhance the value of this work to them, or any information regarding Social or Literary Clubs and Associations, which we have not already incorporated in our volume. The data of this work has not been compiled from circulars or information out of other Directories, but experienced men, particularly adapted for such work, have been assigned to each locality, and the greatest care has been used in selecting these names. In order to issue the book before the Holidays, it is necessary for us to commence our canvass early in September. We would therefore deem it a great favor if those absent from their homes after October 1st would send us the information which they wish inserted, as it is not safe to take it from servants, or anyone except the parties interested.

WORLD'S FAIR, 1893."
CLEAN HOUSE EARLY.

The above cut represents one of our Famous Steam Carpet Cleaning Machines, manufactured especially for us. A powerful exhaust ventilator, running at a high rate of speed and in connection with each machine removes all dust and gases from your carpets and thoroughly airs them.

"The Best is Always the Cheapest."

If it pays to take up carpets at all, it certainly pays to have them well cleaned, this cannot be done by hand. We do work in all kinds of weather and all the year round. We take up, clean, scour, refit, make, lay, pack and ship, as desired, by the best of workmen. We store large quantities during the summer months, packing them in camphor, and insuring them while in our possession. Our process of cleaning is conceded by all to be a success, causing the abrasion of the surface, straightening the nap and brightening the colors, thereby removing every particle of dust and dirt. We were the first to introduce these machines, and have a capacity of 1000 yards-a day.

Health, Strength and Beauty.

DR. T. H. TRINE

Respectfully announces to his friends and the public that he has located himself in light and cheerful offices in the new building at **2204 Michigan Avenue.**

The methods employed consist chiefly of **Swedish Movements, Massage and Vibrating Apparatus** operated by **Electric Motor Power.** Also **Select Physical Culture Exercises.**

As these methods do not conflict with other medical methods, any patients sent here by other physicians will receive careful and faithful attention. Chronic Diseases and Weaknesses a specialty.

The brain and nerve fatigue of overworked **Society, Professional and Business** people readily yield to this method of treatment.

An eminent clergyman said of Dr. Trine's methods, that by experience he found that under his treatment he could continue his professional duties and get well better and more satisfactorily than to discontinue and go abroad.

ROYAL REMEDY & EXTRACT CO.

MANUFACTURERS OF

SOUDERS' ELEGANT EXTRACTS,
 FLAVORING
CHEWING GUMS,
 PERFUMES AND REMEDIES.

Why are Souders' Elegant Flavoring Extracts becoming so popular throughout the country? Because they are absolutely pure, and the best in the market for the money. Put up in new oval bottles, with corkscrew attached to each bottle.

It is also very plain why an army of people are chewing Sweet Wheat. It is one of the finest flavored gums on the market.

Ask any child what is the greatest novelty out in the chewing gum line, and they will answer, Merry Bell. A pretty little bell with each piece of gum.

We have a number of other popular brands, such as Pineapple, After Dinner, Banana, Blood Orange, Kissimee, Sugar Plums, etc.

IT is well understood by the medical profession and all persons of observation and experience that **Pure Milk, and Fresh, Pure Cream,** are necessary articles of food in all conditions of life, and indispensable in cases of lowered vitality, as in infancy, old age, nervous prostration, or any severe illness.

Chemists have found that Pure Milk averages to contain: Water, 87.41 per cent; Fat, 3.27 per cent; Caseine, 4.06 per cent; Milk Sugar, 4.54 per cent; Ash, 0.72 per cent; and that chemical analysis, or the gravimetric test, is the only competent method of determining the purity of milk. Understanding the value of these facts, the **BOWMAN DAIRY CO.** fitted up a complete Laboratory more than seven years ago, and have kept it in constant operation, putting on their books of record the result of the analysis of 57,600 samples of milk and cream. At present 50 samples are analyzed daily. Our inspection extends from the farm to the hands of our patrons. Our Laboratory work enables us to guarantee the purity of all Milk and Cream delivered by us. Having recently purchased large Creameries in Wisconsin for the purpose of obtaining Cream from Milk while fresh, and leaving skim Milk in the country, we secure **Finer and Fresher Cream** than can be done by any other method. Our retail wagons cover the entire city. All orders will receive prompt attention. **MAIN OFFICE, 68-70 NO. STATE ST.** South Division Office, 3514-16 RHODES AVENUE. DR. TRINE'S INSTITUTE OF THE IMPROVED MOVEMENT CURE.

For the Treatment and Cure of

Chronic Ailments, Physical Defects, Local and General Weaknesses, by the use of All Curative Operations by the Hand, Manual and Mechanical Massage and the System of Swedish Movements.

Effective and properly balanced treatment combines processes from each of these classes. The therapeutic considerations are determined in each case by the nature of the affection and cannot be delegated to other than medical control.

Dr. Trine gives direct personal attention to each case.

Mechanical Massage differs from Manual Massage in several important particulars which renders it a remedial recourse of untold value. The energy is transmitted from an unlimited source, through suitable mechanism, and is not limited to the small amount the unaided hand can afford.

It is unrivalled remedial power in all forms of Enfeebled Vitality, in persons of all ages. Properly employed Movements and Massage removes the accumulated consequences of preceding defects of Physical and Vital action, including the more severe and dangerous forms of Chronic Disease.

These agents afford the much desired specific for the weary and overworked business or professional man, supplying the much needed exercise without undue expenditure of *nervous energy* and *will power* on the part of the recipient.

They have unrivalled power over the Circulation of the Blood, substituting vital for inert substances, promoting the nutritive activities from which all Health and Strength of the body arises.

They restore the functions of the muscles, relieve the Nervous System of undue Irritability and harmonize the nervous relation of the Vital Organism.

Children of delicate organization and those having Physical Defects are especially amenable to the benefits of this Institution.

As an additional *Remedial Factor* we have in use the Hoffman and Van Houten Electro Therapeutic Cabinet Bath, without question the most elegant and perfectly constructed apparatus for the application of "Electric Energy" for the preservation of health or removal of disease.

Interested inquirers cordially welcomed. Will be glad to explain or demonstrate by trial application.

Physicians specially invited to investigate the methods here in use.

MRS. ESTELLE BRANDON

Hints on Care and Treatment of the Complexion.

Massage a Specialty.

Beauty has at all times been a theme of song for the poets. Those to whom a moderate share has been given should endeavor to augment it. Mme. Brandon's LABELLE CREAM, for Wrinkles, and LABELLE BALM, to remove Freckles and all Impurities of the Skin. For these marvelous preparations Mme. Brandon has been negotiating for the past three months with an eminent French physician and scientist of Paris, and has secured the right to place them before the public. They are prepared by an expert chemist of this city.

Mme. Brandon has gotten right down to the real causes of undeveloped beauty and can make any face or form beautiful by her wonderful art of strengthening the muscles to support the flesh properly, and also that of purifying an unhealthy skin.

Mme. Brandon will teach every lady how to treat her own face. Price \$2.00. LaBelle Cream \$1.00; LeBelle Balm for Freckles \$1.00.

REMARKS ON FACIAL MASSAGE.

Massage cannot be urged too strongly. Used in connection with LaBelle Cream, it will work out all lines and creases, permanently remove and prevent wrinkles and develop and make pliable the most rigid countenance. It will round out the outlines of the cheeks, chin, throat and chest, for it possesses properties unsurpassed for developing, strengthening and stimulating flabby flesh and muscles. The exquisite firmness and smoothness which the flesh assumes after being massaged with LaBelle Cream will admit of powder being applied so delicately as to defy the closest scrutiny.
